

Kidzworld's Top Five Card Games of 2007!

The year **2007** is coming to a screaming halt and then **2008** should start. If it doesn't, **panic**, but - in the meantime - here's a list of Gary's pics for **Kidzworld's Top Five Card Games of 2007!** These games are the ones to get your hands on if you're looking for something fun to play with your [friends](#), and in the case of the first one, for something a little more. New this year is a big push to take **card games online** and two of the winners do just that. Check 'em out here.

#5. Xeko Mission: Indonesia Card Game

Recycled materials in the packaging, money from each sale donated to **environmental charities**, and it's a **fun game too**: The [Xeko Mission](#) card game challenges you to join the plant and animal ecosystem, learning about the animals from different regions of the [world](#) as you battle for survival. And don't forget the way-cute and uber-soft "hairy-eared dwarf lemur" eco-friendly soy silk plushie!

#4. MapleStory iTCG

This game turns the hugely popular [MapleStory online game](#) into a **way-too-cute** card game. It let's you battle as the **fantasy hero** of your choice, unleashing attacks, monsters, spells and items on your [friends](#). It's a blast! Especially since each starter comes with the online game on a CD and each booster has a **web code** to **unlock free game prizes!** Sounds awesome? It is!

#3. Bella Sara Card Game

Horses, [horses](#) and more horses! The **Bella Sara** card game of collectible horses features dozens of cards, each with a [horse](#) and a **positive message** to brighten your day. Not only that, each card has a **code** that lets you unlock the card in your account at [BellaSara.com](#). It's a smash hit that came from the Netherlands and now, with celebs like [Ashley Tisdale](#) and [Hayden Panettiere](#) showing their love for the game, it's all over the world! Not only that, the packs are super cheap and make great Christmas stocking stuffers. *hint* *hint*

#2. Pokemon Diamond & Pearl: Secret Wonders Card Game

The [Pokemon card game](#) got a facelift with the release of the first [Pokemon Diamond & Pearl](#) set with cleaner rules and new Pokemon powers. However, it took until the **Pokemon Diamond & Pearl: Secret Wonders** set for it to really cut loose with a Pokeball full of awesome! This new set not only has a heap of **great cards** that let you get the jump on your opponent, it also has two excellent [Theme Decks](#) that are a great way for new players to get started on their collection.

#1. Magic: the Gathering: Lorwyn Card Game

[Elves](#), goblins, [fairies](#) and more classic [fantasy creatures](#) are at your command in the new **Lorwyn** set for the [Magic: the Gathering](#) card game! This new set is loaded with cards that power-up tons of other cards. They're fun, powerful, combine with almost any [old deck](#) to make it stronger and are a great way to be able to add some awesome cards to your game without having to spend a fortune to get every single card. It's also perfect for adding to the newly-released [Magic Duel Decks: Elves vs. Goblins!](#)
