### 10. [Fisher-Price Baby's First Blocks](#)

Baby's First Blocks has 10 bright blocks with a convenient wide mouthed bucket with a handle. Baby can drop the different shaped blocks through the shape-sorting lid. Or for younger babies just starting out, he/she can just drop the blocks into the open bucket, take them out, and start all over again. We all know how babies love to do that - I know my own son does! This is excellent for developing early skills such as hand-eye coordination as well as object identification skills. Perfectly priced at \$9.99, this makes a great gift for a baby between the ages of 6-18 months.
